

Technical Datasheet

Product Code: 371VP100E-GR

Product Description: **McAlpine VP100E-GR Int/Ext Air Admittance Valve Gr**

Specification

Material:	Plastic
Style:	Modern
Shape:	Round
Barcode:	5036484095077
Packaged Weight (kg):	0.553 kg
Packaged Length (Metre):	0.176
Packaged Width (Metre):	0.176
Packaged Height (Metre):	0.176

Key Features

- Eliminates problems of freezing associated with external pipes
- Allows greater flexibility in design of new drainage systems
- Can be installed above or below the flood level of connecting appliances
- Incorporates a stainless steel mesh in the air intake
- Suitable for use with either plastic or metal pipes

Technical Drawing

No Technical Drawing Available

Dimensions: All measurements are in millimetres and are subject to normal manufacturing variations.

Due to a continuing development programme to improve design and performance, we reserve all rights to vary specifications without prior notice. Please note, all accessories are for photographic purposes only.
